NOTE. In order to assist bidders Mr. Elder will be glad to advise them in regard to the value of any lot in this sale.

INTRODUCTION.

The features of this Fine and Important Coin Sale are a Magnificent and Extensive Collection of Large U. S. Cents and Half Cents, sent us by the Executor, who desires his name withheld. This collection numbers over four hundred lots of Cents, with 8 of 1793 and fine and choice examples of every other date, including very fine 1799 and 1804s. It is by all odds the best cent collection we have offered in some years.

The second feature of the sale, is a very fine collection of Foreign Crowns and Double Crowns, many of the Rare Klippe and Siege Thalers.

There is also a fine collection of Ancient Coins of all kinds, as well as Siege and Necessity, and the Curious Coins of the World.

Besides these a wide and varied assortment of fine and rare Colonial Coins, Rosa Americana, Fugio Dollar, Washington Coins, Nova Constellatio and other issues. Fine and Rare U. S. Mint-Marked and Other Gold from 1800 down. Panama Pacific \$50 Gold, Rare Mintmarked Small Cents, Fine Greek and Roman Silver Coins, Etc. Etc. The Lots number about 1,000, which will be offered in a single session, on a Saturday afternoon, the sale starting at one o'clock P. M. to enable us to complete the session within a convenient time.

Please go over your catalog and send us a generous number of bids. New collectors are asked again to read our sale terms and to comply with them, and if they are not on our list of regular bidders to please send us either a gilt-edged reference or else a cash deposit. We don't want club or society references as, while they are pleasant to have, they guarantee us nothing in the way of credit.

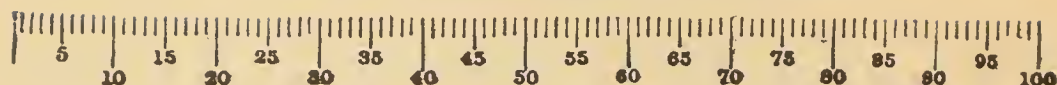

Bid on nothing you don't feel able to pay for, and remember that the bottom has not dropped out of coin prices, even if it has out of stock prices, and that there will be coins being bought and sold when other things go begging for offers. Attend this sale in person. It will pay you. The lots are offered for absolute sale and are going to change hands, so be on hand when the changes take effect and take advantage of the same.

Write Mr. Elder for estimates on any lot in this sale you want to know about, if you are not conversant with its value.

CONDITIONS OF SALE.

Please read Sale Terms Before Bidding.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. No corrections or refunds will be made, and no lots can be returned, unless the bidder submits his case in writing within 30 days of the date of the sale.

Coins and medals are sold at so much per PIECE, and no lot will be separated. You cannot buy a few pieces out of a lot but must buy all of it. The auctioneer will accept no bid under 10 cents to start a lot where that lot contains only one piece; nor will he accept any advance under 5c on any lot containing but one piece; after the price has reached \$2. no advance under 10c will be accepted on any lot containing one piece; after \$5.00 the bid must advance 25c each time; after \$10 no bid under 50c.

Our rules regarding lots containing more than one piece will remain unchanged and the same as before.

Auction sales are strictly for cash. Parties unknown to me and bidding for the first time, must give bank or other reliable reference, or their bids will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description there is but one piece in the lot.

Be sure you bid on the lot you wish to buy. We cannot correct such errors.

All coins, etc., are genuine unless otherwise described.

A charge of 5% will be made to cover packing but where the parcel is bulky an additional packing charge will be made. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

Important Notice. We keep two books of the sale recording each lot as sold, and we will not accept any sale records from outsiders. Our records are final.
